Working together for integrated
testing and earlier care

Addressing Hepatitis, HIV, STIs and TB

EuroTEST first face-to-face meetings since 2020

On 6-7 September 2022, the EuroTEST Steering Committee, the [HepHIV 2023](#) Conference Organising Committee and European Testing Week Working Group met back-to-back in Frankfurt, Germany, for the first face-to-face meeting since 2020. The lively discussions covered the strategic direction of the EuroTEST initiative for 2023 and beyond, including the scope and focus areas going forward; planning for the next biennial HepHIV conference that will take place on 13-15 November 2023 in Madrid, Spain; and discussions of how to take the European Testing Week campaign forward.
